

# **SHOPPING INSTRUCTIONS**

We will be shopping **ONLY** for children between the ages of 1-12. If you have a child younger than one year or older than 12, please don't shop for that child, but please mention it to one of the volunteers in a red shirt.

Please shop for only 1 family at a time.

Try to select the child's special needs or wishes first. For each item selected, write the child's name and family number on a label and attach to each item (**DO NOT COVER THE BAR CODE**). On the shopping sheet that you are given, please write on the sheet a short description of the items you selected for that child as well as the price. This is also a good way to keep track of the money you spend.

**Please do not spend the entire allotted amount on one item, it is much more fun for the children to have more than one gift to open.**

If you can't find the requested item or you are not sure what the requested item is, please just purchase something age and size appropriate.

Please do not combine more than one family per cart.

Please do not purchase bicycles, car seats, batteries, electronic items that exceed the allotted amount.

Please don't purchase any perishable items or candy, each child will receive a gift bag with candy and an orange.

If you are unable to complete shopping for your family, please turn your shopping cart in to one of the Coins for Kids Volunteers (in the red t-shirts).

When you have finished shopping, please take your cart to the designated Coins for Kids check stand, get another family list and **ENJOY!!!!**
